“We had my daughter's 7th birthday party at PPD STUDIOS and it was amazing! All the girls absolutely loved it. The organisation was fab, it all ran to time and was very relaxed and friendly, thank you so much!

“We used PPD STUDIOS for my daughter's Greatest Showman circus themed 10th birthday party and she loved every minute! SJ was great with the kids and even let us run over so my daughter's Grandma could get there to watch them perform!

“Massive thanks to PPD STUDIOS for hosting my son & daughter's joint birthday party - they all had an absolute ball!
